

A Message from the Board President

Dear Supporters,

I am excited to share that the Board has selected LACLJ's new Executive Director - Norayma Cabot. Norayma has more than 15 years of experience driving successful organizations. Her expertise includes leading strategic initiatives, achieving organizational growth, working with vulnerable populations, and diversifying sources of funding. Most recently, Norayma has been the Executive Director of Plaza de la Raza Child Development Services, Inc. since 2013.

Norayma will officially start at LACLJ on September 16th. The Board is excited to begin the organization's next chapter, as LACLJ looks to further expand its impact and raise its profile as a leader in the provision of legal services to survivors of domestic violence and sexual assault.

I'd also like to take this time to thank my fellow Board Members and search committee members (Randall L. Jackson, Jennifer Ziegler, and Philip Sanchez) for their diligent work throughout this process. We are especially grateful to Envision Consulting for providing their guidance and expertise to us over the past few months. I would also like to thank the LACLJ staff for their support and collaboration during the search process.

Last but not least, a very special thank you to Gladys La Torre for enthusiastically stepping in as Interim Executive Director. Gladys went above and beyond for our mission and will continue to support LACLJ as Deputy Director. We are all grateful to Gladys for taking on this additional responsibility during a crucial time for the agency.

As LACLJ moves into its next chapter, we remain dedicated to our mission of securing justice for survivors of domestic violence and sexual assault. Thank you for your continued support during this leadership transition and beyond. We look forward to partnering with Norayma to empower survivors and build communities where families are safe, stable and free from injustice.

Sincerely,
