## March Newsletter

Dear LACLJ Supporters,

I am thrilled to share LACLJ's first Impact Report with you! When I first joined LACLJ, I was excited to be part of an agency that was making a significant difference in the lives of survivors.

The individuals and families that come to us for help have such great resiliency and strength. I am honored to be a part of their journey to safety and building better futures for themselves.

I hope you will take the time to read our Impact Report and share that same feeling of honor of how we've made an impact together.

Warmly,

Norayma Cabot  
Executive Director

Futures

2020 Impact Report

LACLJ is proud to present its first Impact Report. Whether you partner with us as a donor, a volunteer, or as someone who helps us spread the word of our mission, this report is filled with what we have been able to do this past year along with who we have been able to serve.

The report includes highlights from the past year, including our response to the COVID-19 pandemic, our sexual assault work, and recognition of the staff and volunteers who support the survivors in our community.

We're overjoyed to share our work that is made possible with so much support from you!

## INAUGURAL EMPOWER RUN

Thank you to everyone who participated in our inaugural virtual run/walk - the Empower Run! We were excited to join over 150 participants the weekend of March 6th-7th who all came out to support #JusticeForSurvivors.

We had runners and walkers from Los Angeles, CA all the way to Marblehead, MA. A special shout out to our 1st place finishers: Diego Cabot (1 mile 6:04), Kali Fournier (5k 25:21) and Amy Poyer (10k 50:40).

Thank you to all our donors and participants for making our first event a huge success! See you in 2022!
